Sub-Committee Reports:

- Communications – Mark Guzman – We are still waiting on Covestro to switch all the donated items they purchased from their grant over to the LEPC. Next month we will be installing a new siren in Bay Oaks Harbor. The TCEQ grant funds will cover the cost of the siren and installation. The City will be conducting a shelter in place drill next month. Mark also wanted to thank Dr. Time and Goose Cree for allowing the use of the property for the new siren to be placed on.
- Planning – Wesley Hallof: No update
- Emergency Response and Resources – Asst. Chief Tucker was out but the Fire Department did take possession of the Hazmat truck. The CIMA Command van has been in the shop for a couple of weeks now.
- Public Education and Information – Connie Tilton – No update but will start outreach in Fall. GCCISD is hosting a family wellness festival on October 25 from 9-12pm.

Old Business

- Grant Update: The funds were finally received and deposited so we are set for the siren installation next month. The grant award also includes a few tickets to the Hot Zone Conference if anyone is interested in attending.
- Chair Position – We had multiple nominations for the position. Casey Cook nominated Ryan Tucker but it is recommended to have someone from industry since the Vice Chair is a city

employee. Wesley Hallof nominated Ronnie Wilson and Grant Cooley seconded the nomination. David Alamia nominated Mike Tomerlin which was seconded by Mark Guzman. We ended up with two nominations so vote will take place in September.

New Business

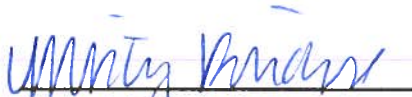

- LEPC Expenditure Report – Misty Bridges presented the monthly expenditure report for July. A motion to accept was made by Mike Tomerlin and seconded by Casey Cook. Motion Carried.
- Nurture Nature Festival – We will be participating once again with OEM in the festival on October 11th. If anyone is interested in working at the booth, please let us know.
- Incidents to report:
 - Mike Tomerlin: He missed the last meeting, but they had an incident last month with an injury to a contractor. Baytown fire was a huge help during the incident, and they appreciated the support.
- Presentation by the Texas Railroad Commission

Good and Welfare

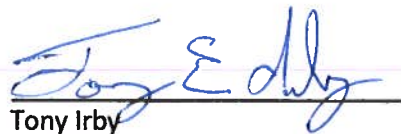

- David Wade – Keep an eye on the tropics as we are heading to peak season.

Motion to adjourn was made by Casey Cook and seconded by David Wade. Motion carried.
